MAINA MUCOKI
PROJECT TITLE: The Graphics e-Toolkit – An Introduction to Photoshop Skill training.

Learning/Performance Context Analysis by MAINAMUCOKI

Information Categories	Learning /Performance Context Analysis
1. Number/nature of sites	• Number: 20 • Facilities: Facilities: Cultural Center lab, or a Community center run by the local community with computers, or own at home or at the Cultural Center. A good example is the Internet Computer Learning Center in the entire Kibera Slums of Kenya. • Equipment: PC or MAC computers • Resources: Adobe Photoshop software and other free image softwares that come with the operating system • Constraints: Expense of the software • other: Issue of Power blackouts, suggest solar backup or power generation
2. Site compatibility with instructional needs	• Instructional strategies: Cluster instruction • Delivery approaches: online video and pdf step by step instruction • Time: 2hours (computer lab is reserved for this instruction) • Personnel: Online tutor and 5 student assistant who are available more than the rest, and also have shown that they are quick learners • other: Evening hours and weekends
3. Site compatibility with learners' needs	• location: Cultural Center lab, or a Community center run by the local community with computers, or own at home or at the Cultural Center. A good example is the Internet Computer Learning Center in the entire Kibera Slums of Kenya. • Conveniences:

	• Space: Quite environment • Equipment: Shared computers for those who don't have. Mac or Pc computers that can run adobe photoshop well. Headphones for students to listen to instruction in their own time. • Other: Evening hours and weekend hours
4. Feasibility for simulating workplace	• supervisory characteristics: 5 Student assistants will enable good guidance in the instruction as to supplement the online training. Main tutor does not need to be close by all the time. • Physical characteristics: The community center is a place where people are familiar. • Social characteristics: The Community center is a place where the community feel comfortable, its safe and a friendly environment. • other: Instruction can be held in the evenings and weekends enable a more flexible schedule
